P1 Term 1 JPS Connect

Dear Parents,

I hope this letter finds you well and that you have had a good time bonding with your child/ward over the school holidays. We are now about to embark on Term 1 and the teachers are looking forward to partnering you in providing our students with a holistic education. To kick-start the new academic year, the following are some things to take note of.

1. Temperature-Taking Exercise

To maintain our preparedness to resume a temperature-taking regime, as well as to ensure that all students are familiar with temperature-taking, there will be a temperature-taking exercise conducted on 04 Jan (Thur) and 05 Jan (Fri) by the school. We would like to seek your assistance in ensuring that your child brings his/her personal Oral Digital Thermometer (ODT) on the two days mentioned. If your child is in P1, he/she will be receiving an ODT at no charge.

2. Update of Student Data and Medical Record

As part of our annual data and medical record update exercise, we would appreciate if you could furnish us with an update of your child's particulars and medical condition. Please make necessary amendments to the Student Data form and initial to indicate your acknowledgment. We would appreciate if you could return the forms to us by 05 Jan 2018 (Fri). A "NIL" return is required.

3. Attendance

Our students' safety is of utmost importance to us. If your child/ward is unwell, please bring him/her to the doctor so he/she can be given a medical certificate. However, if you already have available medication at home, please ensure that your child/ward brings an excuse letter when he/she returns to school. Do note that on exam days, your child has to be excused from school by a doctor.
