Dear Parents/Guardians

CHANGE IN SCHOOL LEADERSHIP IN JPS

The time has come for me to end my tour of duty in Jurong Primary School and bid all farewell. It has been 6 beautiful years here and it has been both a pleasure and an honour to serve my students from December 2011 to December 2017. I will bring with me precious memories and learning as well. The students have impacted me immensely and have further enhanced my love for leading and helped me see purpose and meaning in my duty as a Principal. I will certainly miss them.

Our current vision was co-created by JPS staff, students and SLs in 2012. We aim to nurture our students to become gracious citizens who will serve the community, be proud of country and Lead Self and Lead Others. We also want them to be passionate learners who will persevere, take risks and enjoy learning beyond the academics. I am confident and have faith that our students will live out our vision, our big dream, with your guidance. I would like to thank my deputies (Mrs Jennifer Pang, Mrs Tricilia Tang, Mr Koh See Choon, Ms Fiona Lim and Mrs Cheryl Tan) and all staff for joining me in making learning a joyful and meaningful one for the students and for guiding them to become great individuals while anchoring them on our school core values.

I would like to express my sincere appreciation to all parents / guardians for your unwavering support for the changes that were effected during my term of office as Principal of JPS. It is only with your support and trust in School Leadership that we have been able to scale greater heights in the last 6 years. Thank you!

I am pleased to share with you that I will be moving on to head Cantonment Primary School wef 15 December 2017. Mr Robin Ong, the current Principal of Stamford Primary School, will take over from me wef 15 December 2017. My best wishes to Mr Ong.

Thank you once again and farewell!

Best Regards

Mrs Manokara S
Principal
