Our ref: P/194/2018

26 June 2018

Dear Parents of P5 Students,

We hope this letter finds you well and you have had time to bond with your child during the break.

To maintain our preparedness to resume a temperature-taking regime, as well as to ensure that all students are familiar with temperature-taking, there will be a temperature-taking exercise conducted on 28 June (Thur) in school. We would like to seek your assistance in ensuring that your child brings his/her personal Oral Digital Thermometer (ODT) on 27 June (Wed) in preparation for the exercise. Please ensure that the ODT is in working condition.

In addition to this, it is also important that we teach our children to be socially responsible. We would like to stress the importance of maintaining high standards of personal and environmental hygiene to minimise the spread of viral infections. Do consult a doctor early if your child is not feeling well and ensure that he/she remains at home. During this period, contact with other children should be avoided until the child recovers.
